

Our Value Proposition

Promote good health
and reduce costs
with independent
benefit solutions

We are a completely independent Third Party Administrator of self-funded plans. *Why does it matter?*

One size fits one

Bigger isn't better – we're the perfect size TPA to support your health plan. We only offer what is best for you, not our bottom line. With continuous innovation, superior technology and far-reaching capabilities, you can count on our sophistication, depth and flexibility to find the best customized solutions.

We are your benefits backroom

Save time, money and stress. We know what works and what doesn't – and we build it when we can't find it. Tap into our knowledge and targeted in-house expertise. We have the answers before you've even thought of the questions.

- > Independent and comprehensive administration capabilities
- > Local and national competitive network access
- > Auxiant Medical Management to effectively address the clinical components of your health plan
- > Best in class employee engagement strategies like our proprietary FocusHealth cost and quality transparency program
- > Flexible and sophisticated benefit design options (including reference-based pricing)
- > Integrated wellness, telemedicine programs
- > On-Staff ERISA attorney and Compliance Department

Don't settle for 'keeping up' with trend

Our focus on savings across all your pain points and our claim review performance makes the difference. We have the results. Over the past three years, Auxiant clients have consistently and significantly outperformed industry averages.

Medical / Rx Trend

Size, scope and strength give us distinct advantages in the marketplace

You've probably heard this statement before – from large insurance carriers. We're large and experienced enough to be secure and stable, but small enough to be nimble.

120,000

More than 120,000 member lives covered

325

More than 325 Medical clients

\$1.1 million

More than \$1.1 million claims processed

\$1.1 billion

More than \$1.1 billion in charges

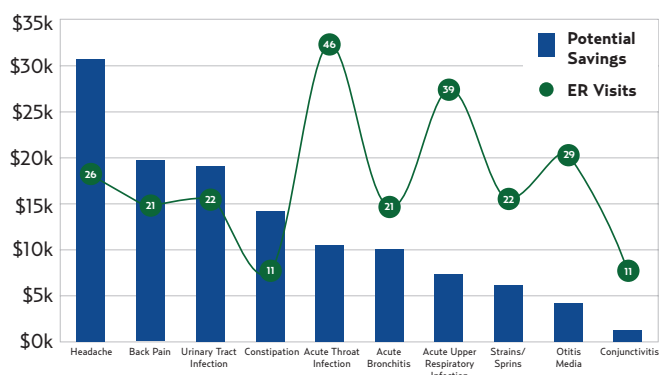

Proprietary systems and IT infrastructure do matter

Our superior technology and far-reaching analytics – constantly evolving to meet your needs – create the ultimate roadmap to meet (and exceed) your goals, creating better value. State-of-the-art tech allows you access to manage your plan 24 hours per day, 365 days per year.

Enlist your employees in improving their health and reducing costs

You can win at the engagement game. With our proprietary FocusHealth cost and quality transparency program, benefit design engagement strategies, easy to use member engagement app and integrated telemedicine solution, you can drive better member health care decisions.
